4. General Information

A. Hankuk University of Foreign Studies: <https://www.hufs.ac.kr/>

- Hankuk University of Foreign Studies is the birthplace of foreign language education in Korea and teaches 45 languages of Asia, the Middle East and other major regions of the world. HUFS graduates now play vital roles in international trade and diplomatic affairs. In addition to its focus on the theory and practice of foreign languages, HUFS also encourages students to use the language skills that they have acquired to study the politics, economy, society and culture of each region of the world. HUFS is a specialized university that educates students to become creative experts, international Koreans and independent researchers who will contribute to the development and exchange of culture. HUFS is a coeducational school with around 17,000 undergraduate students in 78 departments within 18 colleges. HUFS has educational exchange ties with 602 universities in 97 countries worldwide.
